Pasco-Hernando State College

Your legacy for Pasco-Hernando State College

**Our community's passion
for education has fueled
the College's growth.**

In 1967, the Florida Legislature founded Pasco-Hernando Community College as the 28th and final link in the state system of community colleges. After more than four decades of service, the College has conferred more than 35,000 degrees and certificates. Serving the community's need for higher education has fueled the College's growth and expansion, and in January 2014, the College transitioned to a state college—Pasco-Hernando State College. Campuses include Brooksville, Dade City, New Port Richey, Spring Hill and Porter Campus at Wiregrass Ranch. With more than 17,000 students, PHSC is recognized as a premier higher education institution.

A DIFFERENCE

PHSC prepares graduates to be job ready and success bound. Our programs train and educate students who go on to become the best and brightest teachers, local and state representatives, law enforcement officers, EMTs, dental assistants, nurses, paralegals, attorneys, computer programmers and business leaders.

By investing in the PHSC Foundation, you can provide scholarships to deserving students working diligently toward a better future. Donor gifts are also important to help support student assistance programs, library resources, faculty and staff development, academic laboratories and facilities.

WHY YOUR

In the last year, the **PHSC Foundation** has provided 700 scholarships to students totaling more than \$700,000.

However, with 1,800 students requesting financial support, 67 percent of scholarship applicants were unable to receive financial assistance. Your support is needed now more than ever.

State appropriations to the College have not kept pace with our current needs. In order to sustain continued operations, the College has had to increase tuition and fees over the past few years. Despite these increases, PHSC is among the most cost effective higher education institutions in Florida.

"Words can't express how grateful I am. To demonstrate my appreciation, I did my very best in all my courses. I'm proud to say that I have overcome my disabilities and have maintained a straight A average."

Stacey Clegg

Recipient of the John J. Doskocz Memorial Scholarship

SUPPORT MATTERS

With over 700 full and part-time employees, PHSC is one of the largest employers in the two-county area. According to a 2014 study conducted by Economic Modeling Specialists, the College boosts the economy of Pasco and Hernando counties by \$240 million a year.

Your generosity could help support:

- **over 21 bachelor and associate degree programs.**
- **five campuses in Pasco and Hernando Counties.**
- **a nationally recognized intercollegiate athletics program.**
- **a highly active intramural sports program.**
- **the PHSC Library and academic resources.**
- **many vital student outreach programs.**
